To whom it may concern,

- Greetings from NUG-MOE to our friends and partners.
- According to the announcement No. (7/2021) dated on May 11, 2021 of the Ministry of Education, National Unity Government, the relevant university councils have been recognized if their interim teaching-learning situations are complied with the vision, strategy and policy of the Ministry of Education.
- National University of Computer Studies (NUCS) [formerly known as University of Computer Studies – Interim Board of Education] has been recognized as an autonomous university which has been implementing interim higher education activities to ensure the right to education of the students and not to lose their learning opportunities.
- As an autonomous university, National University of Computer Studies (NUCS) is responsible for the processes of awarding degrees and certificates to students who have succeeded in various degree courses through the interim education program according to the respective degree course.

Best Regards,
Dr. Sai Khaing Myo Tun
Deputy Minister, Department of Higher Education
